JUN 08 2004

Sir:

In reviewing the above-captioned application file upon allowance, the undersigned has noted that the Notice of Allowability (PTO-37) indicates acceptance of the originally filed formal drawings, but at the same time indicates that corrected drawings are required according to the April 26, 2001 Office Action. The Office Action indicated that the drawings are informal, however, they are actually formals. For the Examiner's convenience, attached are the formal drawings.

It is requested that the Examiner issue a corrected Form PTOL-37 indicating that the originally filed drawings are acceptable.

If necessary, the Commissioner is hereby authorized in this, concurrent, and future replies, to charge payment or credit any overpayment to Deposit Account No. 02-2448 for any additional fees required under 37 C.F.R. §1.16 or under 37 C.F.R. §1.17.
